

# Model TAL-250 Label Dispenser

## Liberty Marking Systems

Providing Economical  
Solutions in  
Label Dispensing Systems

The TAKE-A-LABEL Model TAL-250 Using the 'standard' all steel and aluminum construction of the complete line, the Model TAL-250 provides the power and performance necessary for the most demanding applications.

The open peel plate design allows the user to run multiple labels on a common web to increase speed, while reducing label cost.

## TAL-250
